

S.T.E.A.M.E.R.S-eTwinning Proje

How is the name 'STEAM' formed? Do you have an idea?	Do you know the difference between STEM and STEAM?	Choose the subjects related to the S.T.E.A.M approach.	Has your pupil joined " Europe Codeweek" before?	Do you think your pupil needs to learn to code?	Do you think games can teach students school subjects?	Do you think this project will help them improve English skills?
