10 risposte

9. Has this exchange met the goals of the project?

10 risposte

10. Do you have any suggestions for the next short-term exchanges of groups of pupils?

Everything was perfect.

Everything was perfect

When it's necessary to split up the students in groups it can be interesting to do that beforehand so that a student of each nationality is present in every group.

Keep the same dynamic

The students enjoyed the free time they had together with the students of the other nationalities very much. So the free time is very valuable as well, not only for resting, but for friendship and casual learning.
